## **LHB43      ROYAL INFIRMARY OF EDINBURGH NHS TRUST**

### **Introduction**

The Trust was founded in February 1994, to take its place alongside five others in Lothian. On 31 March 1999 it was formally closed in order to create Lothian University Hospitals NHS Trust. As well as the Royal Infirmary, other hospitals included Simpson Memorial Maternity Pavilion, Chalmers Hospital, Edinburgh Dental Hospital / Institute, City Hospital, Princess Margaret Rose Orthopaedic Hospital and Princess Alexandra Eye Pavilion.

The administrative papers of the Trust Board and some other key Committees are listed here. The RIE "Newslines," which was produced during this period, is also included.

See also LHB1, LHB2, LHB28, LHB42 for other Royal Infirmary holdings.
